

Stand Bath by Norm Architects

Stand Bathtub designed by Norm Architects, reinterprets the classic tubs with lion-shaped feet, typical of the 1920s and 1930s interiors. Featuring the style and elegance of Art Nouveau and Art Deco' decades, the Stand bathtub is made with innovative Living Tec® material, to fit perfectly with the elegant black metal structure that gives a sense of lightness to the entire collection..

Dimensions: 1600mm L x 700mm W x 510mm H.

Colour: White/Black, White/White, White/Brass

Material: Living tec®, matt varnished metal
