

Industrica Basin Set

Inspired by the raw Industrial Era, the Industrica collection looks back through time to offer a sophistication of its own.

Embracing natural materials, the architectural lines and organic textures express a whole new aesthetic language. The repetition of circular shapes enhances the industrial feel, while presenting a distinct style and a unified modern form for all urbanities.

Features: Easiglide® ceramic spindles. Patented Broclean® filtration system.

Finish: Available in all Brodware finishes. Fixed spout.

Installation: Maximum bench top thickness = 25mm.

WELS: 6 STAR Rated. 4.5 L/min. Registration number TM28068
