Industrica 180mm Lever Wall Set

Inspired by the raw Industrial Era, the Industrica collection looks back through time to offer a sophistication of its own.
Embracing natural materials, the architectural lines and organic textures express a whole new aesthetic language. The repetition of circular shapes enhances the industrial feel, while presenting a distinct style and a unified modern form for all urbanities.

Features: Easiglide® ceramic spindles. Fixed 180mm spout.

Finish: Available in all Brodware finishes.

Options: Available with or without flow control spout.

WELS: 6 STAR Rated. 4.5 L/min. Registration number TM29994
