

Industria Swivel Wall Set

Inspired by the raw Industrial Era, the Industria collection looks back through time to offer a sophistication of its own.

Embracing natural materials, the architectural lines and organic textures express a whole new aesthetic language. The repetition of circular shapes enhances the industrial feel, while presenting a distinct style and a unified modern form for all urbanities.

Features: Wall set with underslung swivel spout and mixer.

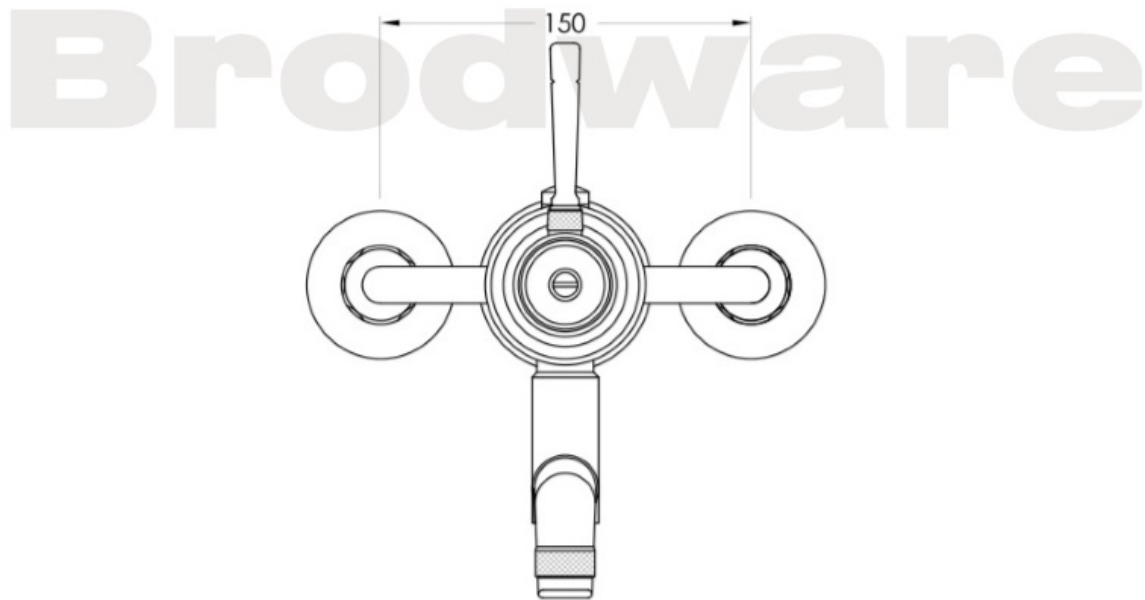

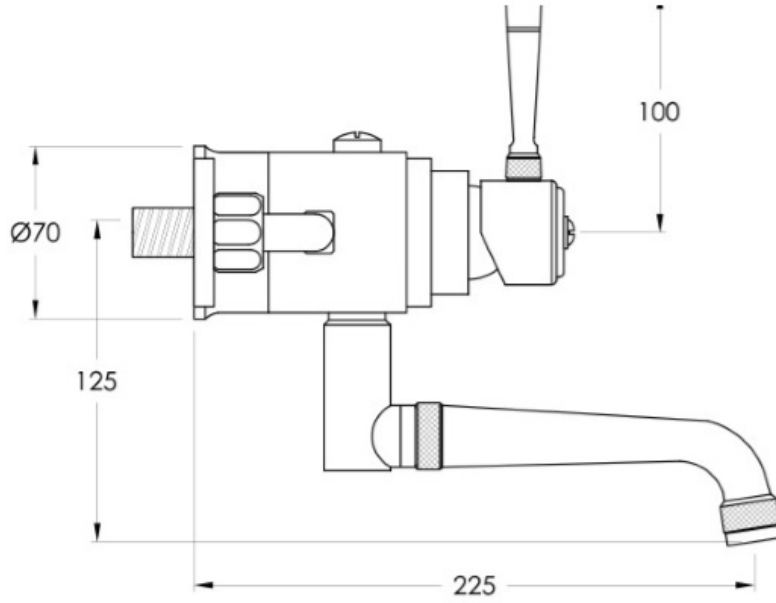

Finish: Available in all Brodware finishes.

Installation: 1/2" BSP Female fittings required in wall set at 150mm from centre to centre.

WELS: 6 STAR Rated. 4.5 L/min. Registration number TM27948
