

## Manhattan 200mm Wall Set

A clean, modern interpretation of a classical design, the Manhattan collection presents a unique blend of simplistic lines and smooth curves. Architectural forms of graceful contours give a dynamic style with enhanced practicality. A harmonious synthesis between form, function and aesthetics.

Features: Easiglide® ceramic spindles. Fixed 200mm spout.

Finish: Available in all Brodware finishes.

Options: Available with or without flow control spout.

WELS: 6 STAR Rated. 4.5 L/min. Registration number TM29090
