

Servoretto 63 Bench

The soft edge geometry of the border is the hallmark of Servoretto by Antoni Lupi, the rectangular sink made from Ceramilux®. The malleability of the material makes it possible to create continuous surfaces, the gentle fittings imply that the power of water has shaped the volume by eliminating sharp edges and unnatural cuts of matter.

Dimensions: 630 W x 380 D x 130mm H

Colour: White

Material: Ceramilux®

Waste: non-closeable plug included
