

Moat Basin

The Moat basin by Merwe is a large round basin with sharp edges. Even more, enhance the sharpness of the edge, this bathroom basin's edge is designed with a slight angle. Furthermore, this stone basin is practical because of the size and the depth. Merwe's round large basin is suitable for bathrooms where you need space 'to bath the cat'! Besides that this large basin is practical, the simplicity of the luxury basin will make it the focus point of your designer bathroom.

Furthermore, Merwe's round basins are manufactured in Solid Surface, Solid Bronze or Solid Zinc. Solid Surface basins are available in Matt and Gloss. Solid Bronze basins are hand finished with patina in the same manner than public sculptures.

Dimensions: 435 D x 138mm H

Material: Solid surface, Bronze or Zinc
