

Wadi Basin

The Wadi small basin by Merwe is designed to fit in small spaces room. Specifically, bathrooms where there is not enough space for a large basin. To explain the small size of this bathroom basin, this oval basin is narrow. However, the space inside is big enough to ensure that it is practical.

The Wadi basin is available in matt and gloss solid surface. Recently, Merwe introduced this bathroom basin in solid bronze and solid zinc.

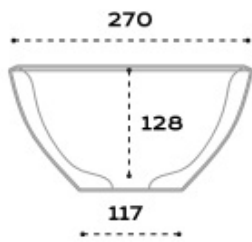

Dimensions: 536 W x 275 D x 140mm H

Material: Solid surface, Bronze or Zinc

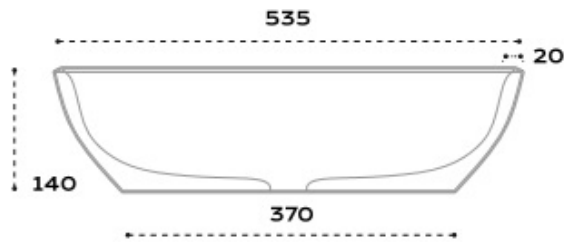

Waste: 40mm non-overflow (supplied separately)
