Winslow Floor Bath Spout

Delicate detail abounds in the Winslow range, with a French-inspired design aesthetic and fine workmanship coming together to evoke an old world ambience. The Winslow Cross uses the clean brilliance of inscribed porcelain to crown the exquisitely crafted metal cross. The white porcelain finish of the Winslow Lever creates a timeless effect and the ability to turn the taps on and off easily with a brush of one’s hand makes the Winslow lever an invaluable addition to the modern home.

Finish: Available in all Brodware finishes.

Installation: Quick connect base – 1/2″ BSP male thread required through floor.
