

CDesign Micro Basin

The CDesign Micro 485 wall hung basin by Omvivo is an uncomplicated and flexible design, which will suit any modern bathroom. The compact size and highly adaptable nature of the Micro 485 makes it ideal for small powder rooms. Manufactured from solid surface it has a smooth matt finish that is exceptionally hard wearing, durable and is also available with Softskin options.

The CDesign Micro 485 can be ordered with a left or right hand bowl and can be wall mounted or installed with the corresponding CDesign furniture with wall or hob mounted taps. For ultimate flexibility it can be supplied with or without tap or fixing holes and is supplied with a polished chrome pop up plug and waste and wall basin fixing bolts.
