

Axor Citterio Semi-Pro Kitchen Mixer

The practical details of the elegant, highly functional Axor Citterio kitchen mixers make them particularly impressive. The ergonomically shaped handle is easy to operate, even with soapy hands. An adjustable swivel range creates added clearance at the sink unit, and the variants with hand spray further increase your range of movement. In the Semi-Pro kitchen mixer, a stainless steel spring makes the spout extremely mobile.

Features: Normal and spray jet, 360 degree swivel range

Finish: Available in all Axor finishes

WELS: 4 STAR Rated. 7 L/min. Registration number T29046
