

Axor Citterio M 227mm Mixer

M is for Modernity. M is for Metropolis. M is for Milan. The famous international designer and architect Antonio Citterio presents his latest work: Axor Citterio M - an entire bathroom collection, inspired by modern city life.

The contours are distinctively slim-line, while the overall impression of the collection is elegant - less of a tribute to the spirit of the times and more of a homage to Italian design. This is exactly why Axor Citterio M is so easily integrated in many different bathroom interiors and lifestyles. Almost incidentally, Axor Citterio M represents the high art of timeless modern design.
