

Arroyo Basin

The Arroyo basin by Merwe is a round basin manufactured in brass. This basin makes a statement with the beautiful Ocean Patina. Every bathroom basin will be different because of the way the patina reacts with the metal and the environment. This Merwe basin will be the focus point of your bathroom in the years to come.

All of Merwe's products refer to different waterbodies. According to Dictionary.com the meaning of Arroyo is "a small steep-sided watercourse or gulch with a nearly flat floor: Usually dry after heavy rains."

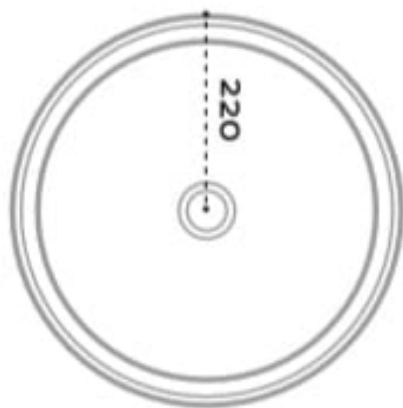

Dimensions: 440 D x 135mm H
