

Tundra NueCrete Basin

As if weathered by water, the soft internal edge of Tundra welcomes your daily rituals. NueCrete is the new concrete basin range by Studio Bagno, proudly designed and made by hand in Australia.

Disclaimer: Each NueCrete product is handmade and unique. Colour variations and imperfections in the surface are inherent in the manufacturing process and one of the reasons we love NueCrete so much!

Dimensions: 480mm W x 400mm D x 140mm H

Colours: Original Concrete, Storm Grey, Powder Blue, Rose Quartz Pink, Pumice White (Please contact us for more images of colours)

Waste: 32mm non-overflow plug & waste (not included)
