

## Delta Square Vanity Basin

The rectangular shape of the integrated basin defines its form in contrast to the flat textured surface of the bronze wall hung vanity. The slim profile of the Delta Vanities can be custom ordered in length together with the number of basins. Depending on your exact project and customers essential requirements.

Available in custom lengths, with a maximum of 2m.

Dimensions: 800 W x 500 D x 140mm H

Material: Bronze

Waste: 40mm non-overflow (supplied separately)

Taphole: available with custom drilled taphole
