

Wirli Basin

The Wirli is a round free-standing vessel basin that can be placed onto a vanity top or shelf. It looks great with either long-neck deck mounted taps or with wall-mounted taps.

For 2021 the basin wall thickness has been reduced from 20mm to 12mm to give a clean crisp look.

Dimensions: 385mm diameter x 115mm(H)

Weight: 7kg

Material: Meticulously crafted silica-free concrete

Finish: Available in a range of 12 colours (White, Light Grey, Mid Grey, Dark Grey, Black, Lemon, Quartz, Rosé, Terracotta, Aqua, Teal, Ocean)
