

The Bowl Integrated Basin

Bowl is a classic circular shaped bowl concrete sink, integrated into a concrete vanity top. One of the few designs in which taps look just as good offset to one corner, as they do centred.

Available as both a double and single concrete sink. Bowl can be highly configured for a floating effect wall mounted vanity top, or can be installed onto any quality cabinetry.

Lengths: 750mm to 3000mm

Options: Single or double bowl, Floating or cabinet mounted, With or without tap holes

Weight: Varies according to length; please enquire

Material: Meticulously crafted silica-free concrete

Fabrication time: 6 - 8 weeks
