

Baly Integrated Basin

Baly in any shade of grey is perfect for highlighting your choice of tiles or cabinetry, or alternatively be creative with 'Vivid' fluid pigments poured directly into the concrete mix, resulting in rich, coloured concrete.

The Baly design was introduced by us in 2012 and has been refined over time with increasingly vertical sides and two options of basin size. Perfect proportions for a perfect vanity, made by the experts at Concrete Studio and supported by our 10 year guarantee.

Lengths: 750mm to 3000mm

Options: Single or double bowl, Floating or cabinet mounted, With or without tap holes

Weight: Varies according to length; please enquire

Material: Meticulously crafted silica-free concrete

Fabrication time: 6 - 8 weeks
