

Pendleton Kitchen Mixer

Versatile and timeless, the Shaws by Perrin & Rowe Pendleton is a classic design that works well in both modern and traditional settings. The Pendleton is a large deck-mounted bridge mixer with a sweeping swan neck and porcelain lever handles, perfect for larger and double bowl sinks. The design includes delicate ribbed detailing on the faucet handle and spout, along with a Shaws brand insignia and temperature indicator on each porcelain handle.

A spray rinse model is also available. Please note the spray rinse is an integral component of the complete tap assembly and cannot be added later to a standard kitchen mixer.

All Shaws by Perrin & Rowe taps feature precision, German-made quarter-turn ceramic disc valves for accurate temperature control and smooth operation.
