

Yarrow Kitchen Mixer

The Yarrow is a classic tap that features subtle traditional detailing and practical design. Mixing water temperatures is made simple by a single porcelain lever. The large swan neck spout and refined ribbed details makes it an elegant addition for kitchens, bars and laundries.

A spray rinse model is also available. Please note the spray rinse is an integral component of the complete tap assembly and cannot be added later to a standard kitchen mixer.

All Shaws by Perrin & Rowe taps feature precision, German-made quarter-turn ceramic disc valves for accurate temperature control and smooth operation.
