Nanobar Basin Set

Design clarity is the concept behind the design of Brodware’s new Nanobar collection. The collection demonstrates disciplined minimalism, while focusing on proportion, scale and carefully measured angles. Each fixture is meticulously crafted to reflect the most simple, linear form without compromising on function.

Made in Australia

Finish: Available in all Brodware finishes.

WELS: 6 STAR Rated. 4.5 L/min. Registration number TM34917
