

Manhattan Hi Line Back-To-Wall

Designed in Australia, The Manhattan Hi Line is the latest edition to Studio Bagno's Contemporary collection, building on the success of our Manhattan Suite as a staple in Australian bathrooms. The High Line is all about improving comfort and experience, with a taller pan & seat height that is also AS 1428.1 Ambulant Compliant.

The Manhattan Hi Line boasts crisp contemporary design making it a perfect fit for a vast range of modern bathroom styles. Our superior Rimless technology features a full 360 degree spiral rapid flushing waterway, which has been rigorously tested and refined to create a powerful yet water efficient (WELS 4 Star Rating) Flush.

Our one-touch quick release seat coupled with the removal of the rim eliminates areas for dirt and grime to build up so cleaning is a breeze. All Studio Bagno toilets come standard with our CleanMax anti-bacterial self cleaning glaze technology, preventing surface dirt accumulation and bacteria breeding, at no extra cost!

Features: Toilet is supplied as P-trap with adjustable S-trap conversion supplied. Rimless flush
