

Colonnade Free Standing Bath

Introducing the Colonnade Bath — where classical architectural inspiration meets a contemporary vision. As the name suggests, the Colonnade Bath draws from the enduring features of classical design, reimagined to establish a modern aesthetic that transcends time. Available in a luxurious matte white finish, this bath is a testament to Studio Bagno's commitment to both form and function. Crafted from stone composite solid surface, the 'Colonnade Bath' invites you to indulge in a touch of luxury, quickly warming to the senses while efficiently retaining heat. Elevate your bathing experience with this modern marvel that beautifully bridges the worlds of tradition and innovation.
