

Decus Free Standing Bath

Defined by its soft chamfer base that gracefully meets the floor, the Decus Bath by Studio Bagno is a marvel of refined architectural edges and inspired simplicity. Drawing from simple geometric shapes, it carries an air of softness in its overall aesthetic, thanks to the harmonious angles and chamfer base. Available in both matte white and semi-gloss white, Decus is meticulously crafted from stone composite solid surface. It not only presents a luxurious tactile experience but also quickly warms to the touch while effectively maintaining heat. Embrace the art of modern bathing with the Decus Bath, where elegance meets innovation.
