

Classic Basin- Frost

Lindsey Wherrett Ceramics is built on a foundation of traditional craftsmanship and contemporary design training. An understated satin matte glaze with a subtle frosty finish, showing soft melt and movement in the surface with the occasional iron spot. The details in this simple finish invite a closer look.

Dimensions: Approximately 395mmø x 125H
(sizing is subject to small variations as this is a handmade product)

Material: Handmade ceramic

Colour: A crisp white glaze with subtle variation across a frosty matte surface
