

Ellipso Duo Oval Freestanding 1900 x 1000

The ellipse thus formed is strictly geometrical, while the edges show a refined and eloquent flow of line. Its soft, elliptical inner contour promises a new sense of security and comfort. The rounded shoulder section and carefully calibrated side walls create a generous space in which to lean back and relax, either alone or with a partner.

OVAL freestanding bath with enamelled overflow, made from KALDEWEI Steel Enamel. Made in Germany with a 30 year guarantee.
