

Le Cob Bath

The signature Le cob bath by Omvivo is an extremely luxurious piece for the bathroom and creates not only a unique bathing experience but a unique statement piece for your contemporary bathroom.

The soothing cascade overflow is naturally therapeutic, reminiscent of a river, as the water falls onto the pebbles below. Created from solid surface and glass, the Le cob bath is supplied with a waste, overflow drain tray and pebbles.

Dimensions: 2200mm L x 705mm W x 635mm H

Colour: White solid surface base, clear glass sides and charcoal pebbles.

Waste: Supplied complete with concealed pop up waste, overflow tray and charcoal pebbles.
