

## Morphing Steel Console

Morphing Collection embodies a blend of tradition and contemporary aesthetics new materials and echoes of classic styles. Sculptural and sophisticated surprisingly 'familiar' - yet totally innovative - Morphing results from the partnership of archetypical forms (impressed in the memory of every one of us) with innovative aesthetics.

While Morphing/ Console belongs to the realm of recollections for type and semantics, it is nevertheless innovative in terms of design and materials. A totally contemporary bathroom project which nods at classic models, while being characterised by fluid, mutant aesthetics.
