

City Double Toilet Roll

Modern simple designs. Using a heavy duty commercial 3 point fixing, this extensive range is one of the strongest accessory collections available. The all brass construction and stainless steel fixings ensures freedom from rust staining on the wall. Staining is a problem often encountered with accessories that use lesser materials. Use City accessories and make your life easy.

Features: Can also be used as a hand towel rail by loosening grub screw and sliding rail to either side.

Finish: Available in all Brodware finishes.
