

Axor Starck Bath Spout

Designed by Philippe Starck. With our busy and hectic lifestyles there is a longing for tranquility and simplicity and for ideas that allow us to draw new strength, like Axor Starck.

This collection of bathroom fittings is impactful with its slender form, clear functionality and world-renowned design. The collection is modern because it is uncompromisingly minimalistic; there are no disruptive elements, no unnecessary decoration.

Features: 1/2" female. Projection 132mm

Finish: Available in all Axor finishes
