

Axor Citterio Bath Spout

Designed by Antonio Citterio. Axor Citterio epitomizes the richness of water- clear in form, rich in detail, and diverse for a variety of uses. The brilliance, clarity and harmony of Axor Citterio celebrate the bath setting and the rituals associated with water.

From the 3-piece tap sets that exude luxury to the tall mixer for unique installations, the precise lines of the collection emphasize a harmonious union between angle and curve. All of these elements create a new form of luxury with Axor Citterio.

Features: 1/2" female. Projection 132mm

Finish: Available in all Axor finishes
