

Michelangelo Diverter Mixer w/ Square Plate

Michelangelo defined the art of the Renaissance era. And now Brodware has been inspired to do the same with a bathroomware range of timeless appeal. The Michelangelo selection of tapware and accessories is a masterpiece of understated sophistication, drawing inspiration from design themes as far back as the Renaissance period.

Features: Single lever mixer with built-in diverter pin for bath and shower combination.

Finish: Available in all Brodware finishes.

Installation: Inwall body is provided and must be fitted during rough-in.
