

Vola FS1 Floor Mixer

Winner of the internationally acclaimed Good Design award 2007, which is presented by The Chicago Athenaeum Museum of Architecture and Design, the product is a floor mounted bath mixer, diverter and hand-shower. The bath mixer is suitable for both free-standing and fitted baths. Allowing you to position the bath anywhere in the room and create an entirely unconventional aesthetic.

Finish: Available in all Vola finishes.

Installation: If the floor covering is greater than 15mm, extensions should be specified when ordering.

WELS: 3 STAR Rated. 8 L/min. Registration number S12249 (T2)
